

ACKNOWLEDGMENT

First of all, the researcher would like to express the gratitude and praise to Allah SWT for blessing, love, opportunity, health and mercy to complete this thesis entitled “ The Analysis of Language Style Used by Students of Academic Year 2015 on Whatsapp Group Chatting in IAIN Madura by Martin Joos Perspective” is able to be finished and complete this study in State Islamic Institute of Madura. Then, peace and blessing is upon to our beloved prophet Muhammad SAW.

This thesis could not be completed without a great deal of help from many people. Therefore, I would like to give my sincerest gratitude to my beloved parents, RIDHO’I and SUTIHAN and my little sister AZKA NURIL KARIMAH. Thanks to my beloved husband EKO YULIANTO and my beloved baby son MUHAMMAD AKBAR ABDILLAH for being the strength and the best supporter of my success in life. I am very thankful to my family, for the du’a until I can complete this thesis. May Allah bless and give the greatest reward for them.

I also want to give my gratitude to my beautiful and best advisor AFIFAH RAIHANY M.Pd, for her time, help, guidance, patience, and motivation from the first to the final level of this research. Thanks for all the contribution that I need until the end of my study. May Allah always bless her and family.

The thesis is submitted in partial accomplishment of the requirement for strata-1 degree to the Faculty of Tarbiyah in English Teaching and Learning Program Department in Islamic Institute of Madura.

In writing this thesis, the writer also got motivations from other parties, so that the writer would like to say thank you so much, especially for:

1. Dr. H. Mohammad Kosim, M. Ag. As the Rector of Islamic Institute of Madura.
2. Dr. H. Atiqullah, S. Ag, M. Pd. As the Dean of Tarbiyah department.
3. Dr. H. Mosleh Habibullah, M. Pd. As the Chief of English Teaching and Learning Program.
4. For all lectures in English Teaching Learning Program of Islamic Institute of Madura who had delivered useful and meaningful knowledge and education during the researcher studied in this university.

5. My friends in English Department 2015, especially for Ida Laila and Uswatun Hasanah. For the time, support, spirit and also motivation.

May Allah always bless you all. I realize that this thesis is so far away from being perfect, there are many mistakes in its contents. Therefore, constructive suggestion or criticisms are welcome for the better following works.

Finally, i do hope that this thesis will be useful for the reader and those who are interested in it.
