10) @zazaiinn

*Big **misssss***

e. Similarity of Sound

The similarity of sound is a slang that is formed by changing the sound or word to be similar to other word that is used in slang. It can be done by adding, releasing, or changing one or more phonemes that already exist. The example of this form in students' caption can be seen below:

1) @ikhwn.mau

***Water** you doing?*

2) @irohmasruroh_00

*No **think** to do..Just smile*

3) @mega_megol20

I beleave you

B. Discussion of Research

In the following discussion the researcher delivers kind of form of internet slangs which are found in the student's caption of the 5th semester. In this case the researcher found five kinds of form of internet slang which are used by the students, they are:

a. Acronym

1) @liandriyani28

ILYSM

One of instagram's accounts of the 5th semester student which is @liandriyani28 has written ILYSM for the caption. This caption belongs to acronym form because using shortening ILYSM to said **I Love You So Much.**

2) @aniizaaa.ig

We all need each other, so do not hurt the people that care about you

#lfl

Another instagram user which name of the account is @aniizaaa.ig also using acronym form to write the caption. In a part of the caption, the student writes "lfl" which stands for **"like for like"**. It belongs to acronym because lfl is letters combination of "like for like".

3) @nonakim17

Take me back to proof that it was a fake.

_L.O.L

Caption that is written by @nonakim17 student's account is kind of acronym form of internet slang because there is shortening L.O.L which stands for **Laugh Out Loud**.

4) @lvmysanagr

Happy Virthday

Btw its my first drawing of V <3 I still study to draw it well and I use lil editing. I just wanna show him that I love him so damn much.

I purple you, Kim Taeyung

Account @lvmysanagr wrote captions that a part of the captions contains acronym form. It can be seen from the abbreviation "btw" to said "**by the way**" which is kind of acronym because each of the words is combined together.

b. Word Clipping

1) @anietalova

Save 16 oktober 2019

Happy b'day kesayangan

In @anietalova account contains word clipping form in the caption. It is shown by the phrase "b'day" which means "**birth day**" that also kind of shortening yet belong to clipping because the word "birth" is clipped becomes b apostrophe.

2) **@anietalova**

Big fams

The same account also sent another post in Instagram which the caption also contains word clipping form. In the caption is written big fams, which is the word “fams” stands for “**family**” and clipped becomes fams.

3) **@yunieayunz**

‘Cause you’re the reason

Another account of the 5th semester student which is @yunieayunz wrote caption that is started by internet slang especially using word clipping form “**cause**” from the word because. The word ‘cause here refers to word clipping form due to clip the beginning sound of “be”.

4) **@nov.uk__**

Graduation is an exciting time. It’s both an ending and a beginning it’s warm memories of the past and big dreams for the future. Happy graduation bro.

In the caption above that is written by @nov.uk__ consist of word clipping due to write “bro” from the original word “**brother**”. It is kind of shortening because the “ther” sound is lost and maintains the part “bro” of the lexeme.

5) **@Lailatul__f**

Congrats!!

Caption that is written by account @Lailatul_f also contains word clipping. The word “congrats” here stands for the word “**congratulations**”. It is kind of shortening and belongs to word clipping form, since a part of the word is clipped and perpetuates “congrats” part.

c. Onomatopoeia

1) @listamy12

The last I say, thank you, wkwkwkwk

One of the student’s accounts using onomatopoeia in the caption. It can be seen from “wkwkwkwk” sound to imitate the inherent sound of laugh “**hahaha**”. It kinds of onomatopoeia because the sound of laugh that is captured by every person different including @listamy12 that uses “wkwkwkwk” sound to express laugh.

d. Pronunciation of Form

1) @anietalova

Debest lecture

Daddy

In @anietalova account there is caption in one of the posts that contains pronunciation of form, which is can be seen in the caption above. Instead of writes “**the best**” the student changes the letters into “debest” that is rewritten based on how it pronounce by the student.

2) **@anietalova**

Bestplendpolepel

Another caption that is written by the same account also consist of pronunciation of form which is “bestplendpolepel” that intend to the phrase “**best friend forever**”. The student changes the letters according to how it pronounces that similar to toddler’s pronunciation when talking.

3) **@nov.uk__**

Gomawo for you all gaes, saranghae

Account @nov.uk__ using internet slang in the caption which is pronunciation of form such as “gaes” to say “**guys**”. The letters are not properly written due intend to write based on how the student’s willing to pronounce.

4) **@anisasyito**

Big luv_

In another case @anisasyito one of the student’s accounts wrote “luv” in the caption. It belongs to pronunciation of form since the student changes some letters to said “**love**” in order to the word is pronounced well as the student is intended to.

5) **@defidef_11**

Holideeeeeeeyy oy oy oy

Account @defidef_11 wrote “holideeeeeeeyy” in the caption from the proper word “**holiday**” which is kind of pronunciation

of form because it is rewritten by adding letters repetition to express excitement.

6) @lvmysanagr

Happy Virthday

Btw its my first drawing of V <3 I still study to draw it well and I use lil editing. I just wanna show him that I love him so damn much.

I purple you, Kim Taeyung

The other student's account which is @lvmysanagr also wrote caption that contains pronunciation of form such as "lil" to tell "**little**". Regardless it is properly written or not, the student wrote that way due to write the word based on how it is pronounced.

7) @rikamelinea_s

Love you more gaisss

The caption that is written by @rikamelinea_s consist of pronunciation of form such as "gaisss" whereby the original word "**guys**" in order to similar to the oral form that the student is intended to say.

8) @zakiyanafs_

When I smile, I feel good.. when u smile, I feel much better

Account @zakiyanafs_ also wrote the caption that consists of pronunciation of form like "u" to say "**you**" that is written

purposely due the written form is similar to the supposed oral form.

9) @lvmysanakr

I am really happy to be a part of this awesome fandom, that's from the deepest of ma heart

In this case @lvmysanakr one of the student's account using pronunciation of form as well in the caption such as "ma" of the word "my". It's not properly written yet belongs to internet slang of pronunciation of form because it is written as the same as how the student willing to pronounce.

10) @zazaiinn

Big misssss

Another account has written caption that also contains pronunciation of form which is "misssss" that refer to the word "miss". The student wrote that way to let people know how it is pronounced by giving additional letter of "s" to express feeling of yearning so much.

e. Similarity of Sound

1) @ikhwn.mau

Water you doing?

Another form was found in account @ikhwn.mau which is using similarity of sound in the caption. The student used "water" instead of "what are" that belongs to similarity of sound because the word is changed into another word that sounds similar.

2) @irohmasruroh_00

No think to do..Just smile

The caption that is written by @irohmasruroh_00 also consists of similarity of sound form, since the student wrote “no think” to express a word “**nothing**”. The word sounds similar yet different, thus belong to similarity of sound because it changes the supposed word to another one.

3) @mega_megol20

I beleave you

Another one is exist on student’s caption @mega_megol20 by changing one of the letters that is written “beleave” to refer the word “**believe**”. Regardless it is written purposely or not yet the word belongs to similarity of sound because both of the words sound identical to be pronounced.
