Appendix IV : Stack It Up Lyrics

Stack It Up

I don't wanna be broke when I D-I-E
Wanna be livin' it up in VIP
Tryna get in the club, they wanna see ID
Want me to wear nice shoes and a T-I-E

[Pre-Chorus: Liam Payne]
I've been workin' and gettin' by
But that ain't enough to satisfy
'Cause I got dreams for you and I
So I got money on my mind

[Chorus: Liam Payne]
So if you wanna stack it up, man, you
gotta work for it
I-I-I-I-I
Ain't nobody gonna be doin' it for ya
I-I-I-I-I
I got dreams and I got time
But that ain't enough to get me by
So I stack it up, man, I gotta work for it
Yeah, I got money on my mind
I-I, I-I
I got money on my mind
I-I, I-I

[Verse 2: Liam Payne]
I wanna flex hard like D-O-E
But right now my car need the MOT
And I can't give the valet no T-I-P
But like him, I got dreams and they're B-IG

[Pre-Chorus: Liam Payne]
Tried to be a better guy
But that weren't enough to satisfy
I got dreams for you and I
I got money on my mind

[Chorus: Liam Payne]
So if you wanna stack it up, man, you
gotta work for it
I-I-I-I-I
Ain't nobody gonna be doin' it for ya
I-I-I-I-I
I got dreams and I got time
But that ain't enough to get me by
So I stack it up, man, I gotta work for it
Yeah, I got money on my mind
I-I, I-I

I got money on my mind
I-I, I-I

[Verse 3: A Boogie Wit da Hoodie]
Yeah, I know shit don't come free, you
gotta work for it (Gotta work for it)
Lamborghini Urus, bought it when I first
saw it (Skrrt, when I first saw it)
She caught me creeping, I had to buy her
a purse for it (Purse for it)
I think if I ain't have money, I'd be the
worst for her
And if I ain't have money, I woulda been
lost her
The loudest ones was the brokest, I was a
shit-talker
The loudest ones was the brokest and I
was strugglin' (Uh)
Girls called me friend, now they on me,
that money comin' in (That money comin'
in)
Saint Laurent fiend, I put it in Louis
huggages (Yeah, yeah)
Took her to Celine, bought her a couple
huggages
Wasn't always sweet, Capri Sums for fifty
cents (Yeah)
Now I just hate to reminisce (To
reminisce)

So if you wanna stack it up, man, you
gotta work for it
I-I-I-I-I
Ain't nobody gonna be doin' it for ya
I-I-I-I-I
I got dreams and I got time
But that ain't enough to get me by
So I stack it up, man, I gotta work for it
Yeah, I got money on my mind
I-I, I-I
I got money on my mind
I-I, I-I
I got money on my mind

Appendix V : Remember Lyrics

Remember

How do you love someone?
How do you love someone so much it
makes you hate them?
Because you can't replace 'em
Why do I still hold on?
Why do I still hold on to feelings when
they're wasted?
Maybe I misplaced them, mmm

I still can't see the light at the end of the
tunnel
Just see those hometown lights we were
both playing under
Wish I could press reset, but it's not that
easy
How can I forget someone who gave me
so much to remember?

You gave me so much to remember
You got me stuck inside my mind
Everything's a reminder
How can I forget someone who gave me
so much to remember?

How do you know someone so well and
then it changes?
All of a sudden you're strangers
Thinkin' back on us dancing
When you put your feet on top of mine on
the living room floor
Well, tell me what was it for? Oh

I still can't see the light at the end of the
tunnel
Just see those hometown lights we were
both playing under
Wish I could press reset, but it's not that
easy

How can I forget someone who gave me
so much to remember?

You gave me so much to remember
You got me stuck inside my mind
Everything's a reminder
How can I forget someone who gave me
so much to remember?

I just wanna know, just wanna know do
you still
Think about us, think about us and get
chills?
I could say I won't, could say I won't, but I
will
How can I forget someone who gave me
so much to remember?

You gave me so much to remember
You got me stuck inside my mind
Everything's a reminder
How can I forget someone who gave me
so much to remember?
You gave me so much to remember (All of
the nights, all of the time)
You got me stuck inside my mind
Everything's a reminder (Everything, oh)
How can I forget someone who gave me
so much to remember?

I just wanna know, just wanna know, do
you still
Think about us, think about us and get
chills?
I could say I won't, could say I won't, but I
will
How can I forget someone who gave me
so much to remember

Appendix VI : Heart Meet Break Lyrics

Heart Meet Break

Heart meet break, lips meet drink
Rock meet bottom, to the bottom I sink
How come love always ends?
Over and over again
Yeah, every time it's

Don't know how much I can take
Only got one heart, I don't know how
much it can break
Only got two eyes, how many rivers can I
make?
Tell myself it's different, then I make the
same mistakes, yeah, yeah
Put my eyes in a line (Line)
They all call me crazy and by now they're
probably right
No matter what I try, there'll always be an
empty space
Where I can never make 'em stay

Every time it's
Heart meet break (Break), lips meet drink
(Drink)
Rock meet bottom, to the bottom I sink
(Sink)
How come love always ends?
Over and over again
Yeah, every time it's

Don't know why I twist the knife
Even when I'm kidding I'm still looking
for a lie
Maybe I'm just searching for something I'll
never find
Give it all away, comes back in pieces
every time

And the tears are rollin' down my face
(Rollin')
I could try to wash the pain away (Away)
There'll always be an empty space
Where I can never make 'em stay

Every time it's
Heart meet break (Break), lips meet drink
(Yeah)

Rock meet bottom, to the bottom I sink
(Sink)
How come love always ends?
Over and over again
Yeah, every time it's
Heart meet break (Break), lips meet drink
(Drink)
Rock meet bottom, to the bottom I sink
(Sink)
How come love always ends?
Over and over again
Yeah, every time it's

Tears are rolling down my face
Said over and over again
There'll always be an empty space (Yeah)
Where I can never make 'em stay

Appendix VII : Hips Don't Lie Lyrics

Hips Don't Lie

We're like shining, yeah, my eyes sit low
But I see you rocking back and forth
Rocking back and forth, yeah (Ooh)
I love how you're seducing me
But wasting time is what I can't afford
It better be for sure (Ooh)

Don't be giving me the eye
Unless you got what I need
I hope your hips don't lie
Unless they're lying with me
The way you're movin' side to side (The
way you're movin' side to side)
You don't even need to speak (You don't
even need to speak)
I hope your hips don't lie (Hope your hips
don't lie)
Unless they're lying with me

Right in my bed-ed-ed, in my bed-ed-ed
Right in my bed-ed-ed, you can lie with
me
Right in my bed-ed-ed, in my bed-ed-ed
Right in my bed-ed-ed, you can lie with
me

I'm so anxious, now that we're acquainted
Let me take care of the bill
You're too hot to chill, oh
Ain't no faking, the animal I'm caging
Wants to come outside and kill
Oh, yeah

Don't be giving me the eye
Unless you got what I need (No)
I hope your hips don't lie
Unless they're lying with me
The way you're movin' side to side (The
way you're movin' side to side)
You don't even need to speak (You don't
even need to speak)
I hope your hips don't lie (Hope your hips
don't lie)
Unless they're lying with me (Woo)

Right in my bed-ed-ed, in my bed-ed-ed
Right in my bed-ed-ed, you can lie with
me

Right in my bed-ed-ed, in my bed-ed-ed
Right in my bed-ed-ed (My bed, my bed),
you can lie with me

I know your hips don't lie (Don't lie), don't
lie (Don't lie)
You don't have to be alone tonight
(Tonight), tonight (Tonight)
You can lie with me
I know your hips don't lie (Don't lie), don't
lie (Don't lie)
You don't have to be alone tonight
(Tonight), tonight (Tonight)
You can lie with me (Oh, oh, oh, oh)

Ooh, ooh, ooh-ooh
I know you're giving me the eye
'Cause I got what you need
I know your hips don't lie
Is it because they're lying with me? Oh

Right in my bed-ed-ed, in my bed-ed-ed
Right in my bed-ed-ed, you can lie with
me
Right in my bed-ed-ed (My bed, my bed),
in my bed-ed-ed (Oh)
Right in my bed-ed-ed (Yeah), you can lie
with me

I know your hips don't lie (Don't lie), don't
lie (Don't lie)
You don't have to be alone tonight, tonight
(Tonight)
You can lie with me
I know your hips don't lie (Don't lie), don't
lie (Don't lie)
You don't have to be alone tonight, tonight
You can lie with me

Appendix VIII : Tell Your Friends Lyrics

Tell Your Friends
Hey
Can't defend my reputation, girl
If you don't even make a sound
Hold me down
Overcome my limitations
Just speak up, don't let them bring us down
To bring us down

So, you can tell your friends

Oh, you're the only one I think about
Every time you go, I want you to stay
around
If you want to give 'em something to talk
about
(Say it loud, tell them, say it out loud)
Oh, I tell them I'm the one you can't be
without
You should tell your friends I never let
you down
I would let you erase every single doubt
(Tell your friends, tell them, tell them
friends)

So, you can tell your friends

You should put it out your mind
'Cause it's jealousy
People... but they can't ever 'cause
You should let it be
I know how to love 'cause you taught me
how
I don't like how I used to be, but that don't
matter now

'Cause they're in your head but I'm in your
heart
Put up a fight before they tear us apart
You know me, you don't even really know
me
(So, you can tell your friends)
So, you can tell your friends

Oh, you're the only one I think about
Every time you go, I want you to stay
around
If you want to give 'em something to talk
about

(Say it loud, tell them, say it out loud)
Oh, I tell them I'm the one you can't be
without
You should tell your friends I never let
you down
I would let you erase every single doubt
(Tell your friends, tell them, tell them
friends)

Hey
Tell your friends, we're playing games
Tell your friends, I don't give a shit
Tell your friends I ain't a saint, 'cause
That last guy that made you forget

Tell your family I said "hi"
Tell your friends I'm coming by
Tell your friends I love you, so
But you said you'd be alright

Ohhhhhhhhh, oohhhhhhhhh

Oh, you're the only one I think about
Every time you go, I want you to stay
around
If you want to give 'em something to talk
about
(Say it loud, tell them, say it out loud)
Oh, I tell them I'm the one you can't be
without
You should tell your friends I never let
you down
I would let you erase every single doubt
(Tell your friends, tell them, tell them
friends)

So, you can tell your friends

Put up a fight before they tear us apart
You know me, you don't even really know
me
(So, you can tell your friends)

Appendix IX : Say It All Lyrics

Say It All

Yeah
Uh

Say what you want
Say what you want
Girl, you got me
Know what I want
Know what I want
Now that just leaves you
All of this shit
All of the bliss
Tell me something real
Tell me something real

Sometime's it's bad
You know that I notice
We going in and out of focus
Know what you wanna ask me
Baby, I know that you nervous
When I'm gone, everything changes
Walls going up like we strangers
Took me forever to say this

Baby, we should say it all, say it all
There's beauty in these broken walls,
broken walls
Holding back is criminal, criminal
Baby, we should say it all, say it all
Yeah, baby, we should say it all, say it all
There's beauty in these broken walls,
broken walls
One of us should make the call, make the
call
Baby, we should say it all, say it all

Sick and tired these days and nights when
you just ain't around
Reaching for somebody else but then I
know what I found
Don't know why I don't say it more than I
do
But everyone's selfish, you know, oh

Sometime's it's bad
You know that I notice
We going in and out of focus
Know what you wanna ask me
Baby, I know that you nervous

When I'm gone, everything changes
Walls going up like we strangers
Took me forever to say this

Baby, we should say it all, say it all
There's beauty in these broken walls,
broken walls
Holding back is criminal, criminal
Baby, we should say it all, say it all
Yeah, baby, we should say it all, say it all
There's beauty in these broken walls,
broken walls
One of us should make the call, make the
call
Baby, we should say it all, say it all

Sick and tired these days and nights
Yeah, yeah, yeah, yeah
Sick and tired these days and nights
Yeah, yeah, yeah, yeah
Sick and tired these days and nights
Yeah, yeah, yeah, yeah
Sick and tired these days and nights
Yeah, yeah

Baby, we should say it all, say it all
There's beauty in these broken walls,
broken walls
Holding back is criminal, criminal
Baby, we should say it all, say it all
Yeah, baby, we should say it all, say it all
(Oh-oh)
There's beauty in these broken walls,
broken walls
One of us should make the call, make the
call (Say it all)
Baby, we should say it all, say it all (Oh)

Say it all, say it all (Say it all)
Say it all, say it all (Girl, say it all, say it
all)
Make the call, make the call (Just gotta)
Baby, we should say it all, say it all (Ooh-
ooh)

Appendix X : Rude Hours Lyrics

Rude Hours

Meet me in the parking lot
Yeah, might be a bad idea, I prob'ly do
your ass in the car
You'll say, "Quit being naughty"
Oh, that's what your body always does to
me (Ooh)

Check in at the Hard Rock Hotel, baby
It's not too far from here

I won't run the lights unless you're close
behind
Really want to get there, let's be safe
tonight
'Cause we both been drinking
Key unlocks the door, take you on the
floor
Always back for more, think I'll be ready
for

Sweat drippin' down your back
You've been here on top of me, feel crazy
'bout you
(Crazy about you, messed up about you,
ooh)
I bet we forget
Everything else, it won't exist for hours
Hours, hours, hours, hours

Oh, oh, oh, oh, oh
Ooh, oh-oh
Hours, hours, hours, hours

See, what I like about you is you know
how to take direction
Don't wanna let it go too fast, let's save the
best for last
The way you throwin' it back, yeah, I love
it, love it like that
Mama, little mama, yeah, you hold on
tight
You gon' make me book another night
Let's keep this between us, won't tell, baby
'Cause it ain't none of they business, baby,
I know you with it

I won't run the lights unless you're close
behind

Really want to get there, let's be safe
tonight
'Cause we both been drinking
Key unlocks the door, take you on the
floor
Always back for more, think I'll be ready
for

Sweat drippin' down your back
You've been here on top of me, feel crazy
'bout you
(Crazy about you, messed up about you,
ooh)
I bet we forget
Everything else, it won't exist for hours
Hours, hours, hours, hours

Sexy ass dress, leave it on, babe
Another level with the foreplay
You know how to take instructions
Take it any way you want, babe
And that's real, I'm 'bout to lay it down
Take you out 'bove the clouds, don't come
down
We gon' be here for hours, hours, hours,
hours

Sweat drippin' down your back
You've been here on top of me, feel crazy
'bout you
(Crazy about you, messed up about you,
ooh)
I bet we forget
Everything else, it won't exist for hours
Hours, hours, hours, hours
Hours, hours, hours, hours

Appendix XI : Live Forever Lyrics

Live Forever (feat. Chest Codes)

Jaded, Faded
Self-medicated
I didn't know I was waiting for you, yeah
yeah
Broken, smoking
Til you came into focus
Sobered me up off of one hit of you

Wasn't even trying to chase a high
I just didn't wanna feel so low low low
Know I'm gonna miss the crazy nights
But you made me wanna let it all go

I was always gonna
Live fast, die young
Slow down when you came along yeah
Burn bright
Burn out
But now you make me wanna live forever

All that rumin', gonna give it up for you
Nothing ever get me high like you do
Some way, somehow...
You and I, we're gonna live forever
Forever
You and I we're gonna live forever
Wreckless, restless
I let it get so hectic
All the way up with my head in the sky,
yeah yeah
Too much, too gone
Too many, too fun
I don't know how but I got out alive

Wasn't even trying to chase I
I just didn't wanna feel so low low low
No I'm gonna miss the crazy nights
But you made me wanna let it all go

I was always gonna
Live fast, die young
Slow down when you came along yeah
Burn bright, burn out
But now you make me wanna live forever
All that rumin', gonna give it up for you
Nothing ever get me high like you do
Some way, somehow

You and I, we're gonna live forever
Forever
You and I we're gonna live forever
Someday, somehow
You and I we're gonna live forever

The party's over let the good times roll
But were still gonna lose control
Lose my mind, getting high on you
High on you

The party's over let the good times roll
But were still gonna lose control
Lose my mind, getting high on you

You and I we're gonna live forever
Forever and ever
You and I we're gonna live forever
Forever and ever
You and I we're gonna live forever
Forever and ever
You and I we're gonna live forever
Forever and ever
You and I we're gonna live forever

Live fast, die young
Slow down when you came along yeah
Burn bright, burn out
But now you make me wanna live forever

Appendix XII : Weekend Lyrics

Weekend

Yeah-da

I said it wrong, but I meant it right
But you're the only one who would know
Yeah, so I'm faded right, but I was the
one
I almost lost my nerve for less than I
deserve, yeah
I got it wrong, but I made it right
You know I made it right
You said it's done, but it's not done

I come alive on the weekend
I might die on the weekend (Might die,
might die, might die)
Another line for my demons
I might die on the weekend (Might die)
I talk low, but I mean it
I say, "Keep up," she can't leave it
I come alive on the weekend
I might die on the weekend

[?] (Might die, yeah)

How did we end up here like this (Yeah)
I see the midnight on your lips
Every time you come around
And if there's nothing more than this
(Nothing more than this)
That's okay, but one more time before
you're gone
You said it's done, but it's not done

I come alive on the weekend
I might die on the weekend
Another line for my demons
I might die on the weekend (Yeah, yeah)
I talk low, but I mean it
I say, "Keep up," she can't leave it (Yeah,
yeah)
I come alive on the weekend
I might die on the weekend

[?] (Might die, yeah)

Everybody's got their own vice
Do you think about me when you're
alone?

It kinda got to me last night after
everyone was gone
If there's one thing that I've learned:
Only you can stop the hurt
Yeah, it's 'bout time that I realize it's a
lost fight
I said it's done, but it's not done
No, no, I said it's done, but it's not done
Yeah, yeah, I said it's done, but it's never
done

I come alive on the weekend
I might die on the weekend
Another line for my demons (Another
line)
I might die on the weekend (Oh, oh, oh,
oh, oh, oh)
I talk low, but I mean it (No, no)
I say, "Keep up," she can't leave it (Come
on, keep up)
I come alive on the weekend (Yeah, yeah)
I might die on the weekend
(I come alive, I come alive)
I might die on the weekend
(I come alive, might die)
I might die on the weekend
(Oh, no, no, no, no)
I might die on the weekend
(I come alive, might die)
I might die on the weekend

Appendix XIII : Both Ways Lyrics

Both Ways

My girl, she like it both ways
She like the way it all taste
Couple more, we'll call it foreplay
No, no, I don't discriminate
Bring it back to my place
Yeah, she like it both ways

Girl I can feel it, oh yeah, I can feel what
you want, yeah
Like that you're different, yeah, do what
you want
I won't judge, I won't judge

Lovin' the way that she's turning you on
Switching the lanes like a Bugatti Sport
Nothing but luck that she got me
involved, yeah
Flipping that body, go head, I go tails
Sharing that body like it's our last meal
One and a two and a three, that's for real

She said we're young and we're stupid
She said, "Come on, boy let's do this"
Make every day my birthday
Let's celebrate, like oh my gosh
She do things you won't believe

My girl, she like it both ways
She like the way it all taste
Couple more, we'll call it foreplay
No, no, I don't discriminate
Bring it back to my place
Yeah, she like it both ways (Both ways)
Both ways, both ways (Both ways)

Four in the morning
Yeah, who else you wanna invite?
Never too many hands all on your body
And mine, you're all mine

Lovin' the way that she's turning you on
Switching the lanes like a Bugatti Sport
Nothing but luck that she got me
involved, yeah
Flipping that body, go head, I go tails
Sharing that body like it's our last meal

One and a two and a three, that's for real
She said we're young (We're young) and
we're stupid
She said, "Come on, watch me while we
do this"
Make every day my birthday
Let's celebrate, like oh my gosh
She do things you won't believe

My girl, she like it both ways (Both
ways)
She like the way it all taste (The way it all
taste)
Couple more, we'll call it foreplay
No, no, I don't discriminate
Bring it back to my place
Yeah, she like it both ways (Both ways)
Both ways, both ways (Both ways)

Make every day my birthday
Let's celebrate, like oh my gosh
She do things you won't believe

My girl, she like it both ways (Both
ways)
She like the way it all taste (She like the
way it all taste)
Couple more, we'll call it foreplay
No, no, I don't discriminate
Bring it back to my place
Yeah, she like it both ways (Both ways)
Both ways, both ways
(Said bring it back to my place, yeah,
she like it both ways) (Both ways)
Both ways, both ways
(I said bring it back to my place, yeah,
she like it both ways)

Both ways, both ways

Appendix XIV : Strip That Down Lyrics

Strip That Down (feat. Quavo)

[Quavo:]
Huncho
Quavo
Yo yo

[Liam Payne:]
You know, I've been taking some time
And I've been keeping to myself (self)
I had my eyes up on the prize
Ain't watching anybody else
But your love, it hit me hard, girl
Yeah, you're bad for my health
I love the cards, that I've been dealt
Do you feel the same as well?

[Liam Payne:]
You know, I used to be in ID (now I'm
out free)
People want me for one thing (that's not
me)
I'm not changing, the way, that I (used to
be)
I just wanna have fun (and get rowdy)
One Coke and Bacardi (sippin' lightly)
When I walk inside the party (girls on
me)
F1 type Ferrari (6 gear speed)
Girl, I love it when your body (grinds on
me)
Baby

[Liam Payne (Quavo):]
You know, I love it, when the music's
loud
But c'mon, strip that down for me, baby
Now there's a lot of people in the crowd
But only you can dance with me
So put your hands on my body
And swing that round for me, baby
(swing)
You know, I love it when the music's
loud
But c'mon, strip that down for me

Yeah, yeah, yeah, yeah
Oh, strip that down, girl
Love when you hit the ground, girl

Yeah, yeah, yeah, yeah
Oh, strip that down, girl
Love, when you hit the ground

[Liam Payne:]
You know, that since the day I met you
Yeah, you swept me off my feet
You know, that I don't need no momey
When your love is beside me
Yeah, you opened up my heart
And then you threw away the key
Girl, now it's just you and me
And you don't care 'bout, where I've been

[Liam Payne:]
You know, I used to be in ID (now I'm
out free)
People want me for one thing (that's not
me)
I'm not changing, the way that I (used to
be)
I just wanna have fun (and get rowdy)
One Coke and Bacardi (sippin' lightly)
When I walk inside the party (girls on
me)
F1 type Ferrari (6 gear speed)
Girl, I love it when your body (grinds on
me)
Baby

[Liam Payne & Quavo:]
You know, I love it, when the music's
loud
But c'mon, strip that down for me, baby
Now there's a lot of people in the crowd
But only you can dance with me
So put your hands on my body
And swing that round for me, baby (yeah)
You know, I love it when the music's
loud
But c'mon, strip that down for me

Yeah, yeah, yeah, yeah
Baby, oh, strip that down, girl
Love when you hit the ground, girl (strip
it down)
Yeah, yeah, yeah, yeah
Oh, strip that down, girl
Love, when you hit the ground, girl
Yeah, yeah, yeah, yeah

Oh, strip that down, girl
Love when you hit the ground, girl
Yeah, yeah, yeah, yeah
Oh, strip that down, girl
Love, when you hit the ground
(Quavo)

[Quavo:]
She gon' strip it down for a ting, yeah
(strip it down)
Word around town, she got the buzz,
yeah
(word)
Five shots in, she in love now (shots)
I promise, when we pull up, shut the club
down (hey)
I took her from her man, don't nobody
know (know)
If you brought the CL, better drive slow
(slow)
She know how to make me feel with my
eyes closed (skirt skirt)
Anything goes down with the Himcho
(Himcho)

[Liam Payne (Quavo):]
You know, I love it, when the music's
loud
But c'mon, strip that down for me, baby
Now there's a lot of people in the crowd
But only you can dance with me
So put your hands on my body
And swing that round for me, baby
You know, I love it when the music's
loud But c'mon, strip that down for me

Yeah, yeah, yeah, yeah
Yeah, yeah, yeah, yeah,
C'mon, strip that down for me
Yeah, yeah, yeah, yeah (yyy)
Don't say nothing, girl,
Strip that down for me (strip it down)
Yeah, yeah, yeah, yeah
All I want, girl,
If you strip that down for me (strip it
down)
Yeah, yeah, yeah, yeah
You're the one, girl,
C'mon, strip that down for me
Yeah, yeah, yeah, yeah

Appendix XV : For You Lyrics

For You
(from "Fifty Shades Freed" soundtrack)

[Rita Ora:]
In your eyes I'm alive
Inside you're beautiful
Something so unusual
In your eyes I know I'm home

Every fear, every fear
Gone with the thought of you
Changing what I thought I knew
I'll be yours for a thousand lives

I'm free as a bird when I'm flying in your
cage
I'm diving in deep and I'm riding with no
brakes
And I'm bleeding your love, and you're
swimming in my veins
You've got me now

Been waiting for a lifetime for you
Been breaking for a lifetime for you
Wasn't lookin' for love 'til I found you
(ooh na, na, ay)
For love, 'til I found you

[Liam Payne:]
Skin to skin
Breathe me in
Feeling your kiss on me
Lips are made of ecstasy
I'll be yours for a thousand lives (a
thousand lives)

[Liam Payne and Rita Ora:]
I'm free as a bird when I'm flying in your
cage (so lost)
I'm diving in deep and I'm riding with no
brakes (no luck)
And I'm bleeding your love, and you're
swimming in my veins
You've got me now (now)

[Rita Ora:]
Been waiting for a lifetime for you
Been breaking for a lifetime for you
Wasn't lookin' for love 'til I found you
(ooh na, na, ay)

For love 'til I found you
Been waiting for a lifetime for you
Been breaking for a lifetime for you
Wasn't lookin' for love 'til I found you
(ooh na, na, ay)
For love 'til I found you

[Liam Payne and Rita Ora:]
I'm free as a bird when I'm flying in your
cage
I'm diving in deep and I'm riding with no
brakes
And I'm bleeding your love, and you're
swimming in my veins
You've got me now

Been waiting for a lifetime for you
Been breaking for a lifetime for you
Wasn't looking for love 'til I found you
(ooh na, na, ay)
For love 'til I found you
Been waiting for a lifetime for you
Been breaking for a lifetime for you
Wasn't looking for love 'til I found you
(ooh na, na, ay)
For love 'til I found you

Wasn't lookin' for love 'til I found you
(ooh na, na, ay)
For love 'til I found you

Appendix XVI : Familiar Lyrics

Familiar (feat. J Balvin)

[J Balvin:]

J Balvin, man
Liam Payne
My G

[Liam Payne:]

It's simple, you dip low
Your hips roll, you do the Calypso
An intro is all that I need, oh, yeah

[J Balvin:]

Yo empiezo primero
Tú sabes lo que me refiero
De caro, sabes que estoy pa' ti (ti, ti)

[Liam Payne:]

Ooh, ooh, I just wanted to get your name
But if it's cool, I wanna get inside your
brain
Oh-uh-ahh

Can we get famili-famili-famili-familiar?
(yeah)

I'm feelin' I'm feelin' I'm feelin' I'm feelin'
ya (hey)

What's on your mind for later tonight?
Let me be the one to fill it up

Can we get famili-famili-famili-familiar?
I'm feelin' I'm feelin' I'm feelin', I'm feelin'
ya

What's on your mind for later tonight?
Let me be the one to fill it up
Can we get

Your waistline, the bassline (bass)

In real life, don't wanna no FaceTime
'Cause great minds, they think just the
same (hey, yeah)

You've shaped like vibrato
A model or some kind of bottle
Well, pour up 'cause I want a taste (a taste,
oh)

[Liam Payne (J Balvin):]

Ooh, ooh, I just wanted to get your name
(Sólo queris tu nombre, baby)
But if it's cool, I wanna get inside your
brain

Can we get famili-famili-famili-familiar?
(familiar)

I'm feelin' I'm feelin' I'm feelin' I'm feelin'
ya (familiar)

What's on your mind for later tonight?
Let me be the one to fill it up

Can we get famili-famili-famili-familiar?
I'm feelin' I'm feelin' I'm feelin' I'm feelin'
ya (feelin' ya)

What's on your mind for later tonight?
Let me be the one to fill it up

Can we get

Ah-ah-ah-ah

(Solamente tú y yo)

Ah-ah-ah-ah

(Solamente tú y yo)

Ah-ah-ah-ah

Let me be the one to fill it up
Can we get

[J Balvin:]

Quisiera que tú y yo nos familiarizemos
Un poco de química y el party prendemos

Olvídate las críticas, si nos entendemos

¿Qué tú cree si en tu mente nos metemos?

Señorita, qué necesita

Sería mucho mejor si participas

Así de lejos no, mejor cerquita

Yo voy hacerte todo lo que me permitas

Y sabes que lo que te pones te queda bien

(queda bien)

Y me caes mucho mejor que un billete de
cien

[Liam Payne:]

Can we get famili-famili-famili-familiar?
I'm feelin' I'm feelin' I'm feelin' I'm feelin'
ya

What's on your mind for later tonight?

Let me be the one to fill it up

Can we get famili-famili-famili-familiar?

I'm feelin' I'm feelin' I'm feelin' I'm feelin'

ya

What's on your mind for later tonight?

Let me be the one to fill it up

Can we get

Ah-ah-ah-ah

Can we get famiti-familiar?
Ah-ah-ah-ah
I just wama get to know ya
Ah-ah-ah-ah
Can we get famiti-familiar?
Let me be the one to fill it up
Can we get
Ah-ah-ah-ah
I just wama get to know you
Ah-ah-ah-ah
I just wama get to know ya
Ah-ah-ah-ah
Can we get famiti-familiar?
Let me be the one to fill it up
Can we get

Appendix XVII : Polaroid Lyrics

Polaroid

[Liam Payne:]

Let me tell you how it happened
I wasn't looking for someone that night
No, I was never a believer
But you could fall in love at the first sight

But all of a sudden
We loved and got lost in the moment
All of a sudden
She's gone in the flash of a light
I never was looking, hmmm
I'll be looking for the rest of my life

[Liam Payne & Leron Stella:]

We took a polaroid
You signed your name upon it
I put it in my wallet
Hoping I'd see your face again
We took a polaroid
Captured the look in your eyes
It's only a matter of time
Before it starts fading

[Leron Stella:]

Was it my imagination?
I could've sworn I saw someone like you
A thousand people at the station
And in a second you slipped out of view

[Liam Payne:]

Then all of a sudden
I loved and got lost in the moment
All of a sudden
She's gone in the blink of an eye
I never was looking, hmmm
I'll be looking for the rest of my life

[Liam Payne & Leron Stella:]

We took a polaroid
You signed your name upon it
I put it in my wallet
Hoping I'd see your face again
We took a polaroid
Captured the look in your eyes
It's only a matter of time
Before it starts fading

We were dancing without moving

All my friends were leaving me behind
I didn't wanna catch a feeling
But there was something in that flashing
light

Then all of a sudden
I loved and got lost in the moment
All of a sudden
She's gone in the blink of an eye
I never was looking, hmmm
I'll be looking for the rest of my life

We took a polaroid
You signed your name upon it
I put it in my wallet
Hoping I'd see your face again
We took a polaroid
Captured the look in your eyes
It's only a matter of time
Before it starts fading

We took a polaroid
You signed your name upon it
I put it in my wallet
Hoping I'd see your face again

Appendix XVIII : Get Low Lyrics

Get Low

Chained to a love
But that don't mean much
Sensitive tough, you don't get enough
I've been drowning in your, lost in the
rush
Faded, you stuck? I'll help you up

I don't care if we get too loud
Sexy, I want you now
Bet I could take you there
Whispering in your ear
What do you wanna feel?
Let's just enjoy the thrill
I'll take over the wheel
And give you the touch you're missing

Get low, get low
Hands on your waist, let's go
Get low, get low
Girl, you got the vibe, I'm up for the
climb
Get low, get low
Hands on your waist, let's go
Get low, get low
Girl, you got the vibe, I'm up for the
climb

Beautiful as you are, I wanna light up
your dark
Maybe you don't believe in me
It's hard to know what you see in me
Don't be quick to say no
My chest is your pillow
Come out of the shadows, I know that
you're fragile, yeah

I don't care if we get too loud
Sexy, I want you now
Bet I could take you there
Whispering in your ear
What do you wanna feel?
Let's just enjoy the thrill
I'll take over the wheel
And give you the touch you're missing

Get low, get low
Hands on your waist, let's go
Get low, get low

Girl, you got the vibe, I'm up for the
climb
Get low, get low
Hands on your waist, let's go
Get low, get low
Girl, you got the vibe, I'm up for the
climb

I like the way you take me there
I like the way you touch yourself
Don't hold back, I want that
When the water come down, I'mma get in
that
Get low, get low
Hands on your waist, let's go
Get low, get low
Girl, you got the vibe, I'm up for the
climb

I'm right here, you know, when your
waves explode
Escape the undertow
Know that you've been broken
Know that you've been hoping
Swimming in your ocean
A new life is floating
The stars were made to shine
Reach up and make a wish
It's a beautiful time, I hope you take a
glimpse
We're the sound of lovers blowing crazy
in the wind
You don't have to pretend
I don't care where you've been

Get low, get low
Hands on your waist, let's go
Get low, get low
Girl, you got the vibe, I'm up for the
climb
Get low, get low
Hands on your waist, let's go
Get low, get low
Girl, you got the vibe, I'm up for the
climb

I like the way you take me there
I like the way you touch yourself
Don't hold back, I want that

When the water come down, I'mma get in
that
Get low, get low
Hands on your waist, let's go
Get low, get low
Girl, you got the vibe, I'm up for the
climb

Appendix XIX : Bedroom Floor Lyrics

Bedroom Floor

Baby
Heard you've been talking about me lately
Telling all your friends how much you
hate me
But who you calling up when you get
lonely?
When you get lonely
Yeah

You be saying real real nice real nice
things
When I'm touching you
You be getting real real real real
jealous
When it wasn't you, oh
And every now when my iPhone iPhone
rings
I be telling you
I told you, I told you, I told you

You said it was over
You said it was over
But your clothes say different on my
bedroom floor
You said it was over
You said it was over
But your clothes say different on my
bedroom floor
But your clothes say different on my
bedroom floor
But your clothes say different on my
bedroom floor, yeah

Baby
Why you always act like you don't want
me?
Don't make me bring up your dirty laundry
We always on and off until you're on me
Until you're on me
Yeah

You be saying real real nice real nice
things
When I'm touching you
You be getting real real real real
jealous
When it wasn't you, oh

And every now when my iPhone iPhone
rings

I be telling you
I told you, I told you, I told you

You said it was over
You said it was over
But your clothes say different on my
bedroom floor
You said it was over
You said it was over
But your clothes say different on my
bedroom floor
But your clothes say different on my
bedroom floor
But your clothes say different on my
bedroom floor
(You said it was over, you said it was
over)
But your clothes say different on my
bedroom floor
But your clothes say different on my
bedroom floor, yeah

Oh
My bedroom floor
Your clothes are saying something
different now
You wanna break up just to fix it now
Oh, baby...

You said it was over
You said it was over
But your clothes say different on my
bedroom floor
You said it was over
You said it was over
But your clothes say different on my
bedroom floor
But your clothes say different on my
bedroom floor
But your clothes say different on my
bedroom floor
(You said it was over, you said it was
over)
But your clothes say different on my
bedroom floor
But your clothes say different on my
bedroom floor, yeah

Appendix XX : All I Want (For Christmas) Lyrics

All I Want (For Christmas)

Tell me, where did we go wrong?
We should be singing Christmas songs
Instead of shouting all night long
Like we do
We keep fighting in the street
When we should be home wrapped in the
sheets
Putting presents underneath the tree
For me and you

I know we had our fair share
Of breaking up, and making up
I promise you we'll get there
So don't give up, no

If we can make it through December
Maybe we'll make it through forever
'Cause all I want for Christmas
Is you and me to fix this
If we can make it through December
Every New Year we'll be together
Baby, all I want for Christmas
Is you and me to fix this

It hasn't been the greatest year
But through thick and thin we made it here
Just keep holding onto me
And I'll hold you
But we made it through the hardest part
And I followed you, the brightest star
I just wanna be where you are
Right where you are

I know we had our fair share
Of breaking up, yeah, making up
I promise you we'll get there
So don't give up, no don't

If we can make it through December
Maybe we'll make it through forever
'Cause all I want for Christmas
Is you and me to fix this
If we can make it through December
Every New Year we'll have together
Baby, all I want for Christmas
Is you and me to fix this

Uh, uh, all I want, yeah

Uh, uh, all I want, yeah
Uh, uh, all I want, yeah
Uh, uh, all I want, yeah

If we can make it through December
Every New Year we'll be together
'Cause all I want for Christmas
Is you and me to fix this
