

## CHAPTER IV

### CONCLUSSION AND SUGGESTION

This chapter consists of two parts. They are conclusion and suggestion. The conclusion contains the summary of the findings and discussion. Then, the suggestion contains about some suggestion for the other researcher and readers.

#### A. Conclusion

After analyzing the data that was taken from The Pursuit of Happyness movie in the previous chapter, where the data analyzed based on the use of Islamic ethical value on the movie. As stated in chapter I, the researcher focus to be answered in this study.

Based on the discussion, the answer to the problem of the study that what kinds of Islamic ethical values are found on “The Pursuit o Happyness” movie, and also how do the Islamic ethical values appear on the “The Pursuit of Happyness” movie. So that the researcher can take conclusion from this research, they are:

1. There are 11 kinds of Islamic ethical values that the researcher found in this movie, there are bravery, consideration, experience, fairness/justice, honesty, on being knowledgeable, hard-working, patience, gratitude, responsibility and obedience.
2. The researcher found how the characters can perform Islamic ethical values in this movie by analysed the dialogue and physical appearance that

performed in the movie. Such as how one of the characters in the movie talks, does something, and does an activity. But the most finding that the researcher found is through the dialogue of the movie than physical appearance.

## **B. Suggestion**

Based on the conclusion above, the researcher want to give some suggestion to the next researcher:For the general public, this study can be a new motivation for them to develop their attitude toward Islamic ethics.

1. For the student's, this study can be a new motivation for them to develop their attitude toward Islamic ethics, and also avoid them to be a passive human and become more high value human. Remember how the main character (Chris Gardner) in The Pursuit of Happyness movie, who was amazing in many ways. Moreover, Muslim should be more amazing when he or she being knowledgeable about ethics. Because good attitude is the most important than everything that student should have.
2. For the next researchers, this study can be an inspiration and secondary data to the other researcher who interests to conduct a study that relevant with Islamic ethical values in other movies, so there will be many movies analyzed and many values gotten and applied.
