THE RESULT INTERVIEW ENGLISH TEACHER AT SMA AL-FALAH

(Mr. Sholehoddin. S.Pd,M.Pd)

Date, 10 June 2021 on 08:00-08:30

The answers from the English teacher below:

1. Actually, English is easy without study, understand to know if they want, always listening that related with English, practice every day, and make it a group discussion about English.
2. They are lazy study English, beside that they have bad mindset in learning English, seldom practice, and they never a group discussion.
3. I have to invite to discuss two languages (Indonesian and English), make an instructional sentence, drill and repeat the material and also watching English video.
4. When I teach sociology than English so the sociology is easier to do it because sociology we just need read the book but English must be understood the pattern and other, while If I teach English than sciences (mathematic, physic, Imia and so on) so that, English is easier because although there is pattern is not many as like in Scientific subject.
