

## ABSTRACT

Rif'ah, April 2022, *The Effectiveness of Online Learning Method on Students' Speaking Skills at Islamic Boarding School Puteri Khadijah Pamekasan Academic Year 2019*, Thesis, English Teaching Learning Program, Tarbiyah Faculty, The Advisor Mulyadi, S.S., M.Pd.

At the end of January 2020, the World Health Organization has declared the Covid-19 pandemic worldwide. This situation forces activities that tend to be busy to be stopped immediately, including teaching and learning activities in schools and lectures. Then the learning process, which had been carried out as usual, was carried out online. The development of digital technology has a major influence on education. Especially in oral-based learning such as Speaking. Therefore, in this study, researchers will research about is there any differences before and after using online learning methods on the students speaking skills at the Islamic Boarding School Puteri Khadijah Pamekasan academic year 2019 which consists of 20 students. The researcher uses an experimental research design with a quantitative approach, and the data collected will be calculated using the SPSS 20 application. The design of this research is an experimental study using one group pretest-posttest. The results of data analysis and hypothesis testing have been carried out, and it can be concluded that there is differences before and after using online learning method on students speaking skills at Islamic Boarding School Puteri Khadijah Pamekasan Academic Year 2019. This is evidenced by the results of data analysis that the t test value (2.549) is higher than t table at a significant level of 5% (2.10).

**Keyword:** *Online Learning, Speaking*

## ABSTRAK

Pada akhir Januari 2020, *World Health Organization* telah menyatakan pandemi Covid-19 di seluruh dunia. Situasi ini memaksa kegiatan yang cenderung padat harus segera dihentikan, termasuk kegiatan belajar mengajar di sekolah dan perkuliahan. Kemudian proses pembelajaran yang selama ini dilakukan seperti biasa, dilakukan secara online. Perkembangan teknologi digital memberikan pengaruh besar bagi pendidikan. Terlebih-lebih pada pembelajaran yang berbasis lisan seperti *Speaking*. Makadari itu, Dalam penelitian ini, peneliti akan meneliti apakah ada perbedaan sebelum dan sesudah menggunakan metode pembelajaran online pada keterampilan berbicara siswa di Pondok Pesantren Putri Khadijah tahun ajaran 2019 yang terdiri dari 20 murid. Peneliti menggunakan desain penelitian eksperimen dengan pendekatan kuantitatif, dan data yang dikumpulkan akan di kalkulasi menggunakan aplikasi SPSS 20. Desain penelitian ini adalah penelitian eksperimen dengan menggunakan one group pretest-posttest. Hasil analisis data dan pengujian hipotesis yang telah dilakukan, dan dapat disimpulkan bahwa adanya perbedaan sebelum dan sesudah menggunakan metode pembelajaran online pada keterampilan berbicara siswa di Pondok Pesantren Puteri Khadijah Pamekasan Tahun Ajaran 2019. Hal ini dibuktikan dengan hasil analisis data bahwa nilai uji t (2,549) lebih tinggi dari t table pada taraf signifikan 5% (2,10).

**Kata Kunci :** *Pembelajaran Online, Pembelajaran Speaking*
