⁴⁶ *The Learner's Pocket Dictionary* Fourth Edition, (Oxford University Press:2008)

⁴⁷ Thornbury. P.8

The students' perception that this research is very important for them, because they know how to develop their ability about English especially in vocabulary ability from the researcher use some question that interviewed to them, also they can explain something that related with vocabulary mastery. According to Rizky Kurniawan, Perception is one of the important psychological aspects because by perception we know about the kinds of phenomenon which exist in our environment. People have different perception on an object. It can be positive or negative.⁴⁸ Based on statement above perception appear based on their phenomenon in around their lives. Phenomenon make their human brain work and can conclude what they feel and see. Two Factor affecting perception, both are explained:

a. Internal Factors

Internal factor is a factor which comes from an individual. This factor depends on personal psychological such as thoughts, feelings, willingness, needs, attention etc. Every human being has different characteristics and temperament which are also shaped by individual family and individuals environment. The results of interview with students at SMPN 5 PAMEKASAN, the researcher concluded that in playing the game, students could feeling fun and it can improving the vocabulary mastery, of course English vocabulary, because they playing and got new vocabulary from playing mobile legend. it prove statement from Naizila Aprilia and Fahrizal ,

⁴⁸ Rizky Kurniawan, *Student perception of teachers*, FKIP UMP, 2015

“I Think, mobile legend game it’s cool and fun mis. Use Mobile Legend Game it can be improve vocabulary mastery”⁴⁹

“I think Mobile Legend Game is Cool and fun because the game is shooting, feels like a real war, and this game very easy to play for all the child. The impact it makes a special attraction for a young people.”⁵⁰

The researcher conclude that when playing mobile legend, it can make felling fun and from that students can get new vocabulary and they can improving the vocabulary mastery.and it is include internal factor because came from felling the students. They felling fun in playing mobile legend, so they can improve their vocabulary mastery.

b. External factors

This is a factor which comes from outside of individual such as stimulus, environment culture, believe. Our life relates with environment, both physical and social environment.⁵¹

Based on the result of the researcher, the students’ perception about the mobile legend game can repair the students pronunciation, it make them can improve their pronunciation of they vocabulary and gives positive impact on remembering vocabulary mastery.

“It’s give me impact because from the game I can learn English vocabulary through the sounds in game than, I try to practice the pronunciations. Because the positive impact can indirectly know and understand the pronunciation of the english vocabulary.”⁵²

“It has a positive impact because it understands in terms of pronunciation. Because while playing so that makes it very easy to know a new vocabulary”.⁵³
