A. Structure on songs in English

1. Pronoun

1) Data 1:

They yearn to learn, they crave it in. and in return the world sort of lights up for them and invites them to absorb the infinite possibilities that are available to them. They are lucky enough and as was I and as were most girls that I knew growing up, that your dreams were not ever going to fall on deaf ears and that your thoughts and your voice mattered and could make a difference.

2) Data 2:

They give access to quality education for Syrian refugees building schools and rural areas. They are girl by girl transforming communities.

3) Data 3:

*When they are handed the purse strings, the communities thrive
When they are given a job, they flourish*

4) Data 4:

⁴⁸ Kemertelidze, Nino. Tamar Manjavidze. "Stylistic Repetition, Its Peculiarities And Types In Modern English": *European Scientific Journal*. Special Edition. 2013. Keraf, Gorys. *Diksi dan Gaya Bahasa*. Jakarta: PT Gramedia Pustaka Utama, 2006.

*They organize better, **they** galvanize more passionately and they are more likely to encourage peace where peace should be the priority.⁴⁹*

5) Data 5:

***When** I was eight I was confused to being called “bossy “. Because wanted to direct the plays we would put on for our parents. But the boys were not, **when** at 14 I started being sexualized by certain elements of the media. **When** at 15 my girlfriends started dropping out of their sports teams because they didn’t want to appear musically. **When** at 18 my male friends were unable to express their feelings.*

6) Data 6:

*I am from Britain and **I** think it is right that I am paid the same as my male counterparts. **I** think it is right that I should be able to make decisions about my own body. **I** think it is right that women be involved on my behalf in the policies and decisions that that will affect my life. **I** think it is right that socially I am afforded the same respect as men.*

7) DATA 7:

***My** life is a sheer privilege because my parents didn’t love me less because I was born a daughter. **My** school didn’t limit me because I was girl. **My** mentors didn’t assume that I would go less far because I might give birth to a child one day.*

8) DATA 8:

*I **have** seen my father’s role as a parent being valued less by society despite my needing his presence as a child as much as my mother’s. I **have** seen young men suffering from mental illness unable to ask*

⁴⁹ Richard Viet *Discovering English Grammar*. Boston: Houghton Mafflin Company. 1981.

*for help for fear it would make them look less of a man or less of a man. In fact in the UK suicide is the biggest killer of men between 20-49; eclipsing road accidents, cancer and coronary heart disease. I **have** seen men made fragile and insecure by a distorted sense of what constitutes male success.⁵⁰*

9) DATA 9:

*But **I** believe that all mothers are entrepreneurs, and I did look up, I'll be very honest, **I** looked up the definition of an entrepreneur on Google.*

10) DATA 10:

***You** invest, **you** take risks and **you** actually have the most important job of raising up the future of not your family or not of an individual,*

11) DATA 11:

*But the moment **I saw** my parents and **I saw** how proud they were of me*

12) DATA 12:

***I** knew that even if I don't walk out with a crown, **I** knew I was going to be a winner tonight.*

13) DATA 13:

***She's** not only my mom, **she's** my best friend. She is my role model. **She's** someone I've looked up to growing up and **she's** my guardian angel, my Durga Maa, I call her. And I know that irrespective, **she** lets me take decisions. **She** lets me make all kinds of mistakes.*

14) DATA 14:

***They're** entrepreneurs, **they're** creating the future of the country. So, **they are** already the most powerful.*

15) DATA 15)

⁵⁰ Ibid

They're entrepreneurs, they're creating the future of the country. So, they are already the most powerful I'm still growing. I'm still learning. I'm still in that stage where I'm figuring out what I truly want to do in life.

16 DATA 16:

They aren't powerful people, but they are just young girls just like me. They are students, they are daughters, one of them is still in school. And they all came down and we all were travelling across India, trying to spread awareness, trying to create different systems.⁵¹

17 DATA 17:

I am very proud to speak here as an American. I am a patriot. I love my country and want to see it thrive. I also believe strongly in an America that is part of an international community.

18) DATA 18:

We will remain stuck in a cycle of violence and conflict. We will have learned nothing.

19) DATA 19:

The number of cases of alleged sexual exploitation and abuse are down, although even a single case is unacceptable. The numbers of women peacekeepers is on the rise, with African nations in particular leading the way on this

20) DATA 20:

As mothers. As peacekeepers. As human rights defenders.

21) DATA 21:

The result of her education, we all do better

22) Data 22:

⁵¹ McLeod, Sharynne & Jane McCormark. What are speech, language, and literacy. oxford university press. 2015.

We know that while we can and should be proud of who we are individually, we are a part of a global world. And we know that we are supposed to come together in defense of something greater than ourselves.

23) Data 23:

I was born to incredible parents, amazing parents who served as doctors in the Indian Army. I was the first born and as far back as I can remember I made my parents very proud and happy 99 % of the time.⁵²

24) Data 24:

They are lucky enough and as was I and as were most girls that I knew growing up, that your dreams were not ever going to fall on deaf ears and that your thoughts and your voice mattered and could make a difference.

25) DATA 25:

Sadly many of things that she wanted to change are still true today

26) DATA 26:

How can we affect change in the world when only half of it is invited or feel welcome to participate in the conversation

27) DATA 27:

Men, I would like to take this opportunity to extend your formal invitation.

28) DATA 28:

Gender equality is your issue too

A. Structure on Songs in English

1. Pronoun

Data 1:

Based on the data In those sentence, there is a repetition of the word “they“ In the beginning of line . So it can be categorized as subject pronoun, The word they now has a new meaning. It’s not just the third person plural pronoun that means they. They can now also be used as a singular pronoun.⁵³

DATA 2:

They are the third person, namely the person being talked about. It’s not just the third person plural pronoun that means they. They can now also be used as a singular pronoun for people who do not want to be called male or female.

DATA 3:

For this data we can look back to the first and second data the use of the word they.

Data 4:

According to the data presented above, this still the same the data before.

Data 5:

When is to describe an action in the past. Two actions completed at the same time (two single actions at the same time) or one action performed immediately after another action is completed (one action immediately after another action) and Action in the past with a long duration.⁵⁴

Data 6:

⁵³ Michael A Pyle and Maty Hellen Munoz Page. *TOEFL: Preposition Guide Nebraska Cliffs Notes*. 1995. Page 39.

⁵⁴ Richard Viet *Discovering English Grammar*. Boston: Houghton Mafflin Company. 1981.

I is the first person singular pronoun which refers to the word I or me and the pronoun used when you act as the subject.

DATA 7:

My and Mine are English me in possessive pronouns. The difference is, my is an adjective and mine is a noun. My is always followed by a noun, while mine is used when the context of the noun is clear.⁵⁵

DATA 8:

Have is usually used to show possession and is a verb used in the simple present tense. Have is used when the subject is I, you, They, we.

Data 9:

Based on the data. I, first person pronouns are pronouns that are used when you are acting as the subject or first person pronoun⁵⁶

DATA 10:

The word you is a subject pronoun.

DATA 11:

According to the data above. The word I is a subject pronoun

Data 12:

Based on the data in the previous section. There is pronoun in these sentence. As we've seen, the word "I" Is repeated from the word earlier.⁵⁷

Data 13:

⁵⁵ Fitria, Tira Nur. "Figurative Language Used In One Direction Album Entitled Up All Night". *ELITE Journal*. Volume 05. Number 01. 2018.

⁵⁶ Ibid

⁵⁷ Friend, J. A. (1976). *Traditional Grammar*. Carbondale, Illinois University Press

Based on the data also see that there are word she, in a sentence it shows the subject as a third person singular pronoun, and in an be sentence it uses conjunction is⁵⁸

Data 14:

The use of to be "are" in the subject they, or plural nouns. In tenses or usage, "are" is only used for Simple Present Tense and Present Continuous Tense.⁵⁹

DATA 15:

This information is part which the same with the word before.

DATA 16:

The data above we can give understanding that explanation same with the first until the four data.

Data 17:

Also in this part that conclude the same with in twelve data.

Data 18:

We are personal pronouns or personal pronouns used as the first person, that is, the person speaking. .⁶⁰

Data 19:

The word is used when we want to say something certain.

Data 20:

It is conjunction of sentence and is not pronoun.

DATA 21:

It is data the concluding is the same with data number eighteen.

Data 22:

⁵⁸ Kulsum, Umi. "Repetition As An Idea Amplifier In R.A Kartini's Language Production ". Vol. 15. No. 1. Bandung: metalingua. juni 2017.

⁵⁹ by *Emily Blunt*

⁶⁰ *Henry Guntur Tarigan , pengajaran gaya bahasa , 74 74 Gorys Keraf , diksi dan gaya bahasa*

For this still the same with data before. (22)

Data 23:

And this the same explanation with number six and nine.

Data 24:

And for this too

Data 25:

For this data is nothing pronoun⁶¹

Data 26:

For this still the same too with number six that explain about the use of subject pronoun, I.

Data 27:

And too

Data 28:

Your, its use is always followed by another word that indicates something that the person has. This includes the object pronoun.⁶²
