

CHAPTER IV

CONCLUSION AND SUGGESTIONS

This chapter is divided into two parts. They are conclusion and suggestion. The conclusion deals with the result of the research about the cultural values in relation to Madurese culture in Bush's Encanto Movie. The suggestions contain about some suggestion for the other researcher and readers, or the next researchers.

A. Conclusion

After analyzing the data that was taken from Encanto movie by Bush in the previous chapter, where the data analyzed based on the use of Islamic ethical value on the movie. As stated in chapter 1, the researcher focuses to be answered in this study.

Based on the discussion, the answer to the problem of the study that what kinds of cultural values are found on "Encanto" movie, and also how do the cultural values that found in Encanto movie related to the Madurese culture.

1. The Cultural Values That Contained in Bush's Encanto Movie

There are 3 kinds of concept of cultural values that researcher found in Encanto movie, there are symbol, hero, and ritual. The researcher found three each in each concept used, so the researcher found 15 data from Encanto movie. The researcher found cultural values that related to Madurese culture. So, there's 15 kinds of concept cultural values with the relating to Madurese culture

2. The cultural values relate to Madurese culture in Bush's Encanto Movie

The researcher found how the characters can perform cultural values in this movie by analyzed the dialogue and physical appearance that performed in the movie. So, the researcher can find the relating cultural values between the Encanto movie and the Madurese culture.

Based on the researchers' point on view wherever we are, we will find a cultural similarity, because they move like the invisible wind and do not know who started first. So, there are some similarities between Madurese culture and Encanto movie because a film is not just mad, the director must find a city that is the inspiration for their movie. Therefore, there are some similarities with Madurese culture.

B. Suggestion

Based on the conclusion above, after completing the analysis of cultural values in relation to Madurese culture in Bush's Encanto movie, it can be alternative way to learn about cultural values. There are some points are recommended for:

1. For students, this research can be guidance to improving knowledge about cultural values, including about how we see each cultural values in our every activity, especially in our country. Nowadays, cultural values destroyed by pop culture, perhaps with this study the students can understand with their culture.

2. For the next researchers, this study can be an inspiration and secondary data to the other researcher who interest to conduct the same topic that relevant with cultural values in another movies.
