

CHAPTER IV

CONCLUSION AND SUGGESTION

A. Conclusion

Based on the previous chapter, the discussion of the research problems, the researcher concluded that:

1. There are twenty three utterances that the researcher analyzed in this study. Seventeen of those utterances are direct and six of those are indirect speech acts.
2. Eleven of the seventeen direct speech acts there are declarative sentences, three interrogatives, and three imperatives.
3. Two of six indirect speech acts there are declarative sentences which are orders, three interrogatives which two sentences are stating and the one sentence is ordering, one imperative sentence which the function is as a statement or conveys information.
4. The speech acts appeared from Master Shifu in Kung Fu Panda 3 movie mostly when he spoke to his students.

B. Suggestion

After making the conclusion, the researcher would like to offer some suggestions as followed.

- a. For the readers

The researcher hopes that this research gives any source of information or knowledge for the readers. Then, the researcher suggests

that the readers could implied those in the daily life and teaching learning activity.

b. For the other researcher

The researcher hopes that this research could be a reference for another researcher. However, this research is not perfect, so that another researcher should always learn about speech acts and improving skills to make a better research in the future.
