CHAPTER IV

CONCLUTIONS AND SUGGESTIONS

This chapter is divided into two parts. They are conclusion and suggestion. The conclusion deals with the result of the research about Politeness Strategies of the Main Character in a Movie Journey 2: The Mysterious Island regarding Penelope Brown Perspective. The suggestions contain some suggestions for the other researcher and readers, or the next researchers.

A. Conclusions

1. Kind of Politeness Strategy Found in Journey 2: The Mysterious Island Movie

   There are 4 kinds of concepts of politeness strategy that researchers found in Journey 2: The Mysterious Island movie, there are Bald on Record Strategy, Positive Politeness Strategy, Negative Politeness Strategy, and Off Record Strategy. The researcher found five each in each concept used, so the researcher found 23 data from Journey 2: The Mysterious Island movie.

2. Politeness Strategy Used by the Main Character

   The researcher found how the main characters can perform politeness strategy in this movie by analyzing the dialogue and physical appearance that performed in the movie. So, the researcher can find the relating politeness strategy between Journey 2: The Mysterious Island movie and the main character.

Based on the researchers' point on view wherever we are, we will find a politeness strategy, because every time we make a conversation, we would make something that need politeness, whether in everyday conversation or formal conversation. So, between movie and real life there are some similarities, because sometimes what is in real life is made into a film by the writer.

B. Suggestion

Based on the conclusion above, after completing the analysis of Politeness strategy of the Main Character in a Movie Journey 2: The Mysterious Island, it can be alternative way to learn about politeness strategy. There are some points are recommended for:

1. For students, this research can be guidance to improving knowledge about politeness strategy, including about how we see make a conversation each other in our every activity, especially in our country. Nowadays, politeness is destroyed by another culture, perhaps with this study the students can understand their politeness when speaking with another people.

2. For the next researchers, this study can be an inspiration and secondary data to the other researcher who is interested in conducting the same topic that relevant with Politeness Strategy in another movies.
